

CHILDCARE DURING COVID-19

Child Care is deemed an essential service during the Shelter In Place order for essential employees.

How can you help your Employees?

CHECK WITH YOUR EMPLOYEES ON THEIR CURRENT CHILD CARE PLAN

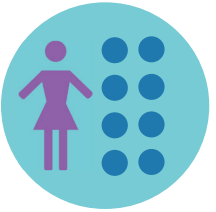

- Have they spoken to their current provider?
- If so is their current provider re-opening?
- Do they have a family member that can assist with Child Care?

CALL OR EMAIL 4Cs FOR AN ESSENTIAL EMPLOYEE REFERRAL

- The 4Cs Resource & Referral department is here to help your employees find new temporary child care.
- Have your employee send an Email to info@sonoma4cs.org with the Subject: Essential Worker – Child Care Referral. In the body of the email please ask them to include contact info, child's ages, company and zip code where they need care.
- A 4Cs staff member will reach out to your employee and provide a targeted child care referral list.
